Minutes Hamilton County Election Commission November 7, 2000

Upon call duly made and notice given Chairman Williams called the meeting to order with all members present.

Commissioner Lane made the motion that the Commission recess for the purpose of counting ballots cast in the November 7, 2000 election and proceed to adjourn, seconded by Commissioner Waller.

Administrator Jackson brought up the Safety Department problem of those who thought they were registered through the Motor Voter program. She has no idea where this will lead. The Coordinator of Election notified us that we were to FAX all the information to them and they would check it out and sent the information back to this office and let us know weather to register the individual and let them vote. Commissioner Lane said that he wanted it to be a matter of record that he is opposed to changing our method of registration and voting and he feels that it is wrong to take a persons word that they are a registered voter by Motor Voter.

The precincts selected to be audited were East Chattanooga, Middle Valley, Glenwood, East Side, Hixson 1, Concord, Soddy Daisy North, Moccasin Bend, Ooltewah and Avondale.

Chairman Williams asked Carolyn to get the Fax for each one that has called for Motor Voter and keep them in a safe with a lock and save every scrap of paper. Commissioner Walden said he would like to know how many people got to vote as a result of this decision. Commissioner Lane asked for a copy of all this material including the Faxes.

Th	ere being no further business the meeting was duly and properly adjourned
