Legal Matters

Attorney Clem received a call from nashville about a poll worker who has a criminal record.
Administrator Mullis-Morgan stated that Chairman Walden had decided to leave him be this election.

Commissioner Braly asked about the prisoners being picked up and brought here to vote, does that normally happen? **Administrator Mulli-Morgan** stated that it has happened before just not like it did this time, Most of the time we go there and vote them, but we were a day late and couldn't go and vote them. We had four vans and ten police cars, there were 26 that voted. We voted a van at a time. I had only the men in the early voting room, everyone else was up here. They were all registered to vote and none of them had felony convictions. Next election they may not be able to vote due to court dates, and convictions etc..

Secretary Summers stated that he meant to bring a copy in but that Attorney Clem may want to read it because it is about a recall.

Administrator Mullis-Morgan stated that to certify the election we have Thursday the 18th or Monday the 22nd. Just let me know when. The commission agreed upon the 18th because the other date would be Thanksgiving week.
